PROFESSIONAL OVERVIEW

I am a final year student studying Bsc Computer Science at the University of Pretoria. I am passionate about technology & Digital Media, which is the major reason why I chose the STEM career path. My main goal is to enhance my skillset. One thing about me is that I am open-minded, open to new ideas and keen to stay up to date with the latest technological advancement.

WORK EXPERIENCE

Freelance Tech Assistant

De la Paix guesthouse, Edleen | 2023 – present

- As a freelance Tech Assistant, my role is to update the Wi-Fi configurations at the property when required. It is also my responsibility to update camera configurations and notify the manager whenever I want to test out new tech ideas at the property.

Social Media Manager

ZardripTV TikTok Division | 2024 – 2025

- As a Social Media Account Manager for ZardripTV TikTok Page, I had targets that needed to be met on a regular basis. I used my rapid growth strategy to increase the account from 0 to over 350k followers whilst keeping the engagement consistent
